HISTORY/FACTS/ISSUES:

Mildred Wala bequeathed 5% of an annuity to the Bushnell Public Library and 5% to the Webster Public Library. Staff recommends the Board authorize Bradley Arnold, County Administrator, to execute all documents relating to this claim and any other documentation required to receive the funds Mrs. Wala left to the libraries.

The Interlocal Service Boundary Agreements with Bushnell and Webster provide for consolidation of libraries with the County serving as the single, unified point of service for libraries in the unincorporated areas of the county and within these cities; therefore, the funds left to these libraries will come to the County to use for the libraries in Bushnell and Webster.
